48V 50Ah stackable LiFePO4 battery provides modular, high-efficiency energy storage for solar, off-grid, lawn mower, and golf cart applications.

Discover our selection of high-quality 48V Epoch Lithium Batteries. Choose from heated, Bluetooth-enabled LiFePO4 battery options. Complete kits available for golf carts.

High-power lithium iron phosphate batteries are now a reality. They can ...

We offer the Preferred series 48V 100Ah lithium ion battery packs to suit different kinds of applications. The chemistry of the battery pack consists of Lithium Iron Phosphate (LiFePO4) which is the safest li ...

With built-in intelligent self-heating, you can keep your battery charged in cold environments effortlessly. The 48V nominal voltage ensures more than 4500 life cycles, low heat generation, and high ...

A 48V 50Ah LiFePO4 battery pack is a rechargeable energy storage system that operates at a voltage of 48 volts and provides a capacity of 50 amp-hours. It uses lithium iron phosphate ...

High-power lithium iron phosphate batteries are now a reality. They can be used as storage cells or power sources. In addition, Lithium Iron Phosphate batteries are among the longest lived batteries ...

With built-in intelligent self-heating, you can keep your ...

Discover superior 48v lithium iron phosphate battery pack technology offering exceptional cycle life, advanced safety features, and outstanding performance. Experience reliable energy storage with fast ...

48V 100Ah LiFePO4 Battery, 5120Wh Deep Cycle Lithium Iron Phosphate Battery with Built-in 100A BMS, 4000+ Cycles, 10-Year Lifespan, Ideal for Golf Cart, RV, Camper, Solar, Off-Grid
