-----  
Are off grid solar systems a good choice?

Over the past 6 years, dozens of overseas manufacturers have jumped on the off grid bandwagon. These systems are OK for occasional, light duty, non critical off grid applications but they tend to fail right when you need them most. At Off Grid Solar, we never include low cost, overseas knock off products in our systems.

How can I save money on an off grid Solar System?

Save thousands of dollars on a high quality, name brand off grid solar system by taking advantage of our high volume manufacturer relationships. Shop the Internet and you may find, non name brand, off grid solar system at a lower price. Over the past 6 years, dozens of overseas manufacturers have jumped on the off grid bandwagon.

What are Apollo solar pre-wired cabinets?

The Apollo Solar Pre-Wired Cabinets are the latest in the line of products designed to meet the exacting needs of installers. In our factory, we assemble a complete solar energy system with Charge Controllers, Inverter/Chargers along with all the proper size Circuit Breakers and external connectors.

Does Sunwise Power & Battery offer custom enclosures?

Sunwise Power & Battery also offers custom enclosures to meet any specification. All Enclosures include rainproof design, electrical knockouts and ventilation. M Series Enclosures are pole-mounted enclosures featuring new battery storage capabilities and a hammered powder coat finish.

Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications. If you are not sure which enclosure you should choose, please don't hesitate to email ...
