What is after sales service?

After Sales Service comes before Sales. It is something we don't pay lip service to. It is an ingrained,clearly understood and unquestioned business practice for us. It is the area of our business that commands by far the most attention and investment and our policy is clear that a good technical presence precedes any sales effort.

We offer networking products, KVM switches, projectors, cabinets as well as telephony solutions including Voice over IP (VOIP). For more details on our full range of products and services, please ...
