-----  
Are outdoor classrooms a safe alternative to classroom learning?

Outdoor classrooms are a fresh-air alternative to classroom learning. With the protocols for social distancing in schools and the restructuring of classrooms, one idea for a safe, healthy learning environment that has been gaining a lot of traction is moving to outdoor classrooms.

Why should you choose IASA telecommunications cabinets & racks?

IASA has been one of the main suppliers of cabinets and racks in the Mexican market. A lot of the telephone booths and cabinets that have allowed the development of telecommunications technologies in Mexico have passed through our factories.

What makes our cabinets special?

Our cabinets are developed in a special way for each project using the latest technology and materials that prevent deterioration by the environment by ensuring the seal, cooling and efficient operation of internal equipment, adapting to the needs of each place.

OpenSpaces outdoor furniture equips schools for fresh-air learning with highly durable, color-infused student tables, seating and more. OpenSpaces is built to endure climate (and student) extremes.
