Brasilia is a Brazilian city that was thought out and planned. With an architectural design in the shape of an airplane, it stands out from everything you have ever seen. Haven't decided yet? Let us inspire ...

In many ways, the middle-of-nowhere location makes sense for Brasilia. It's not only the most un-Brazilian-feeling city in the country but it might also be the most un-Latin American-feeling....

Brasilia (Portuguese: Brasilia), the capital of Brazil and the seat of government of the Distrito Federal, is a planned city in the Central Highlands of Brazil.

Brasilia provides something uncommon in the modern travel industry: room to relax, contemplate, and see another side of Brazil with its wide open skies, daring architecture, and serene ...

Brasilia is the capital of Brazil. Located in the Federal District within Goias state on the central plateau of Brazil, it lies between the headwaters of the Tocantins, Parana, and Sao Francisco ...

Brasilia is a planned city developed by Lucio Costa, Oscar Niemeyer and Joaquim Cardozo in 1956 in a scheme to move the capital from Rio de Janeiro to a more central location, which was chosen ...

Renowned for its modernist lines and futuristic design, Brasilia is a study in urban planning and the only city built in the 20th century to be counted among UNESCO's World Heritage Sites.
