The latest white paper, prepared by Fluence in collaboration with APSTE, examines the current state of the Bulgarian energy market and the potential for energy storage applications to revolutionise the ...

storage is hindering Bulgaria in the development of an energy storage market. Furthermore, Bulgaria's energy legislation and grid codes have been historically written with thermal plants in mind, ...

Transformation of AES Galabovo into a large-scale energy storage facility using proven technology implemented in concentrated solar power plants (CSP) using molten salts

The Bulgarian city of Lovech, northeast of Sofia, hosts the strongest battery energy storage system (BESS) in the Balkans. The Ministry of Energy even said the new facility, with a ...

Share your project details and our engineering team will design the optimal energy storage solution tailored to your objectives.

The project is the first utility-scale Battery Energy Storage System in Bulgaria as well as one of the first of such scale in Eastern Europe. The 25MW/55 MWh BESS supports a 33 MWp PV ...

Energy Minister Zhecho Stankov has inaugurated the EU's largest local power-storage facility near Lovech, Bulgaria, the Energy Ministry announced Thursday.

Commissioned, delivered, and installed in just 12 days by a five person crew, Sigenergy's innovative SigenStack system at Malko Tarnovo, Bulgaria, highlights how next-generation battery ...

RUSE, Bulgaria, Jan. 30, 2026 /PRNewswire/ -- SINEXCEL is proud to support the successful deployment of a 10MW/ 33.86MWh battery energy storage project in Bulgaria, further ...

Bulgaria side energy storage power station

Sigenergy has deployed a 10 MW/20 MWh battery energy storage system (BESS) at a solar site in Malko Tarnovo, Bulgaria, using 240 kWh battery stacks typically found in residential ...
