Will Hainan free trade port be a key gateway to China's new era?

China's Vice Premier He Lifeng called on local officials to "build Hainan Free Trade Port into a vital gateway leading China's new era of opening up to the world," during a speech at the port.

What is the Hainan free trade port law?

On 10 June 2021, the 29th meeting of the Standing Committee of the 13th National People's Congress passed the Hainan Free Trade Port Law of the People's Republic of China, which determined to establish and improve the Hainan Free Trade Port customs supervision special zone system with closed-off customs operations on the entire island.

Will Hainan become a high-level free trade port by 2025?

South China's tropical island province of Hainan is intensifying efforts to establish itself as a high-level free trade port (FTP) by 2025. Key plans were outlined in a government work report presented during the annual session of the Hainan Provincial People's Congress on Tuesday.

When did Hainan free trade port get a customs clearance?

On 5 January 2024, the inspection area for railway freight trains at Huairou South railway station --the first railway customs clearance project of the Hainan Free Trade Port, built by the China Railway 25th Bureau Group--was completed.

The master plan will benchmark Hainan with some of the world's high-level free trade ports, for examples, Hong Kong, Singapore and Dubai.
