The owner's manual recommends brake fluid flush every 3 years. Other places I have read/heard this is overkill. What do you guys think? What do you pay for it?

I've been researching mid-range (up to 10X) optics and notice some have an adjustable focus/parallax and some don't. I'm wondering what people here think at what point is it necessary? Is ...

What can I expect from doing a valve adjustment on my v6 engine with 112k? Increased performance? wondering if it's worth the trouble

Also, insisting on Honda coolant is a fine but not necessary if you are flushing the whole system (be sure to get the heater core). If you have a air bubble the engine will not circulate coolant ...

I was reading through the manual for our 2014 Honda Accord and noticed it recommended replacing the brake fluid every 3 years. I have owned three Hondas (1990, 1995, and currently a ...

I'm trying to read the resistance of both the drive and driven pressure control solenoid valves inside the CVT thru the PCM C connector. Pin 4 is the drive solenoid. Pin 10 is the driven ...

Re: Necessary to lap Seekins rings, yes or no? I have an older Remington 5 digit action and the rear bridge is different than the newer rifles (lower). After torquing down the front of the ...

It was necessary because before I used it, I never listened to my heart nor did I know anyone who had the look. -Stan

In the old days, PCV valve used to be a tune up item. Is it still the case on our 7th gen, especially V6? I'm pretty sure mine is still the original and works properly. Wondering if it is ...

## Is it necessary to buy an solar outdoor power cabinet

Re: Why &quot;breaking in&quot; a barrel is NOT necessary The reason that the barrels change velocit is the bore actualy work hardens and if you fire yout rifles at say 500 yards you can see an ...
