What is the warranty period for skydio products?

Under this Limited Warranty, you will be able to direct your claims to Skydio during the Warranty Period if you purchased the Product from an Approved Reseller. 2. Warranty Period. 2.1 The Warranty Period for Products, except as specified below, is one (1) year from the date of delivery. 2.2 The Warranty Period for the following Products is:

How long does a warranty last?

Any Product that has either been repaired or replaced under this Limited Warranty will be covered by the terms of this Limited Warranty for the longer of: (i) ninety (90) days from your receipt of the Product that has either been repaired or replaced, or (ii) the remaining time left in the original Warranty Period.

Can a skydio authorized reseller modify or extend the limited warranty?

4.2 No Skydio Approved Reseller, agent, or employee is authorized to make any modification, extension, or addition to this Limited Warranty. If any term in this Limited Warranty is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.

What happens if a skydio product is returned without a warranty?

Any Product that is returned to Skydio without a valid warranty claim covered by this Limited Warranty or without an RMA may be rejected, returned to you at your cost, or kept for thirty (30) days for your pick-up and then disposed of in Skydio's sole discretion.
