Choose from our comprehensive range of custom lithium battery technologies: ultra-thin 7.4V LiPo cells for wearables, high-capacity 48V 18650 packs for power tools, or robust 72V ...

Explore a wide range of custom battery pack assemblies in various chemicals and styles. Contact us to get a quote tailored to your specific application!

Order custom battery packs at Voltaplex. As a trusted custom battery pack manufacturer, we specialize in custom lithium battery packs designed to meet unique energy requirements.

At EMBS, we specialize in the manufacture of custom lithium-ion battery packs for power tools. Our expertise in this field has enabled us to work with several of the world's major professional power tool ...

Explore custom power tool batteries, optimized for drills, saws, and impact tools. High-performance, certified, and tailored to your requirements.

CM Batteries? focuses on designing and manufacturing custom lithium-ion battery packs for power tools like drills, lawn mowers, and more.

Lithium-ion battery pack manufacturing process includes separate cell sorting, assembly, and insulation stages to ensure high performance, safety, and longevity for all of our custom rechargeable battery ...

Our expert engineers and technicians deliver custom, high-performance, reliable, and safe battery solutions tailored to your unique and demanding requirements.

Discover top-quality aluminum and metal custom lithium battery cases. Craft your ideal lithium-ion battery with precision - simply share your requirements for a customized solution.

Massive custom lithium batteries for electric tools

We build the batteries powering the global shift toward electrification. Whether you're retrofitting existing equipment or launching something entirely new, we design and make lithium-ion systems that meet ...
