Who makes outdoor Telecom cabinets?

Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions.

What is an outdoor telecom enclosure?

Our outdoor telecom enclosures support a wide range of telecommunications and infrastructure needs: Fiber Optic Networks: From compact fiber distribution units to high-capacity data center enclosures like the AP-Data with six slack frames, our cabinets manage dark-fiber volumes with organized cable management and secure slack storage.

Are APX enclosures NEMA indoor/outdoor telecom equipment cabinets made in the USA?

All APX Enclosures NEMA indoor/outdoor telecom equipment cabinets are made in the USA and backed by a 30-day simple return policy and a 1-year product warranty. If you're ready to get started, send us a message, and we'll assist you through each step of the design phase -- including drawings, prototype review and cabinet production.
