Be wary of the fact that Wiktionary gives "roled" word status. It's missing from other online dictionaries, such as Merriam-Webster. At best, I'd say it was an extrapolated word, which is ...

If something or someone plays a part or plays a role in a situation, they are involved in it and have an effect on it. They played a part in the life of their community.

vs X also plays a role of (job-function). My opinion is that "plays a role as" indicates a greater impact on the role and the company, whereas "plays a role of" is more "does the job". My old ...

What is the difference between job title and job role? For example, from the Google documentation on rich snippets: title -- The person's title (for example, Financial Manager) role -- The perso...

Apr 1, 2025 #183; In this work, enterprises for cascade utilization of lithium batteries are categorized as remanufacturers, energy storage centers, and valuable metal recycling centers.

By reconstructing the battery connection topology in real time, this technology effectively alleviates the inherent defect of poor consistency of retired batteries, and provides a practical reference for the ...

The American Heritage Dictionary of the English Language gives four definitions of role, the first of which is also r#244;le A character or part played by a performer.

Compared with new batteries, spent power batteries can reduce the cost of energy storage projects, and thus reduce the cost of energy storage for users. On the other hand, the cascade utilization realizes ...

Instead of gathering dust in landfills, these batteries are finding new life through energy storage battery cascade utilization - a process that's reshaping how we think about renewable ...
